This process concentrates the sugars and fruit components, resulting in a delicious sweet dessert wine with flavours of candied fruits, citrus and marmalade. The perfect way to finish your meal!

<i>*this late harvest sweet Riesling has great intensity, with flavours of caramel, stone fruit and spice. Goes very well with desserts and cheese.</i>		
2006 Mount Horrocks, Cordon Cut Riesling	Clare Valley, Australia	\$73
<i>*a unique and risky method in which the vine is cut away when the varietals are fully ripe, so that the fruit dries out on the vine. Once they're harvested and vinified the result is a sweet and rich wine full of luscious fruit.</i>
